Evangelism in our rainy season

Yes, English has a word for it . . . **Soggy**

Transportation -- you better have a soggy slogger or -- stay home!

It gets worse . . . stones and logs help over yukky spots.

Soggy people always want a ride. *Hakuna matata*. More hands to shove when all four wheels bury.

God did not send his son into the world to condemn the world . . .

He sent his son to save the world.
