HIZ tour

Harding University is in Zambia for ten weeks. (Harding In Zambia = HIZ) Ten days of that time we took a tour of the front lines--new church planting areas in Central and Luapula Provinces.

Young men of HIZ had several opportunities to try out their preaching skills.

Local Christians enjoyed HIZ Acapella Chorus.

HIZ Acapella Chorus enjoyed all the little kids.

And when all was over everybody shook hands with everybody else!

One hot afternoon the courageous cooled off at Kundalila (Cry of the Dove) Falls.
