MOVING DAY!

The BIG DAY at last!

21 two-year-old kids made the move from Eric's House to Haven 2. Eleanor Hamby has given us permission to call Haven 2 "Kelly's House".

Just at nap time, right after lunch, older kids hauled beds out of Eric's house . . . .

Moshe wanted to take his nap and protested at the disturbance.

Finally he gave in -- "Oh well, I'll just grin and bear it."

'Twas a bouncy ride in October heat . . .

Almost there . . . .

Some kids came by backpack.

Welcome to your new house!

Welcome to your new home!

Here's your wardrobe--everything neat and purty!

In your snazzy new bedroom you only have to share with 5 or 6 others!

That's better than with 20 others, right?

Right. Seeeee?

And, hey! Here's the dining room. Best spot in the house, right?

Yep, and they've got all the equipment clean and shiny for afternoon refreshments!

Yaaaaay!
