Subject: GREAT NEWS

Greetings to all our College family!

We have great news to announce:

Today we baptized a Brazilian couple about 30 yrs old. Both come from a Catholic background. Michel is a neurologist and his wife Carla is getting her masters in psychology.

We have been studying with Michel & Carla for over 4 years now.
Another reminder to never, never, NEVER give up!

To God be the glory!

With you in His service,
Arlin & Pamela Hendrix
